

June 2018

Hello Young Lifetimers!!

I hope you are all keeping snug and warm and dry now that winter has arrived. Just hang on to happy thoughts of all that sunshine and warmth we were enjoying a few months ago!

We had planned to take a trip into Circa theatre to see the play “*Problems*” but there weren’t enough registrations for this so we had to cancel. Maybe it was just as well because I saw that the review of the play was not so great! However it is a reminder that we need to be able to cover the cost for paying of a rental vehicle (or bus hire) when we go on trips. We’re always reluctant to cancel an outing but sometimes things just don’t work out right. Most times it’s the weather.

We had no problems dealing with a cold, wet day or getting the numbers for our latest event which was the visit to Trentham Military Camp. We had to limit numbers for this one so that left quite a few people on the wait list. We will schedule another trip to Trentham later in the year so everyone will have the opportunity to visit this fascinating place. The NZ Defence Force now runs the camp, and what a huge facility it is. We visited the lovely little chapel (beautifully refurbished after being moved from Hawkes Bay), the large and busy Archives / Medals unit, the EOD museum and finally, in the old clock tower building, we were given a cuppa and an interesting talk about the history of the camp. We finished off our trip with a visit to McDonalds in Silverstream – a bit of a novelty for some!

On Friday 15<sup>th</sup> June we’ll take our winter visit to Brooklyn for **Movies at the Penthouse**. There will be several different movies running so you can make your selection on the day. I’m hoping that *Isle of Dogs*, or *The Breaker Upperers* or *Mr Stein Goes Online* will be showing. I’m sure there’ll be something for everyone, even if it’s not your first choice. When you’re not movie-watching you can settle down in cinema’s excellent café with its great range of food and drinks.

Next up, on Monday 2<sup>nd</sup> July will be **Shake, Rattle and Roll**, the latest concert from the talented and wacky people from Operatunity. *The 50’s and 60’s introduced a liberating new beat, a more enveloping style of music, a greater zest for life and a more contagious invitation to dance than ever before.* In this concert we’ll “rock around the clock” to the greatest hits of the era showcasing many of its different genres including Rock ‘n Roll, crooners, swing and pop! Starring the wonderful Suzanne Lynch (of The Chicks), Pat Urlich (Peking Man) and joined by Operatunity favourite artists Bonaventure “Bonnie” Allan-Moetaua and Karl Perigo with their band. You can be sure of a shaking, rattling and rolling good time!

Remember that you can register for a Lifer's event by just ringing the Arena (phone 237 1521) at any time and ask to have your name put down for that event. If the event is full, then ask to put your name on a wait-list as vacancies can pop up at the last minute. You can pay for the event at the Arena on the day if you wish. If you need to cancel then the sooner you can let us know the better. For cancellations it's a good idea to phone Lynda (237 3556) or email her.

Hope to see you soon

*Pat*

A vacuum cleaner salesman knocked on the door of a senior citizen. It was opened by an elderly woman.

"Go away" she said. "I haven't got any money! I'm flat broke!" and she proceeded to close the door.

Quick as a flash, the young man wedged his foot in the door and pushed it wide open. "Don't be too hasty, my dear lady!" he said. "Not until you have at least seen my amazing demonstration."

And with that, he emptied a bucket of horse manure onto her hallway carpet. "If this wonderful Kirby vacuum cleaner doesn't remove all traces of this horse manure from your carpet, madam, I will personally eat the remainder of it."

The woman stepped back and said, "Well, I sure hope you've got a good appetite sonny, because they cut off my electricity this morning."
